Documents you may receive

We will provide you with a number of documents as you progress through our financial planning process to capture each stage of your advice journey. We may provide these documents to you electronically to your nominated email address, unless otherwise agreed.

When we provide personal advice it will normally be documented and provided to you in a Statement of Advice (SOA), known as a financial plan. The financial plan contains a summary of your goals and the strategies and any financial products we may recommend to achieve your goals. It also provides you with detailed information about product costs and the fees and other benefits we and others will receive, as a result of the advice we have provided.

If we provide further personal advice a financial plan may not be required. We will keep a record of any further personal advice we provide you for at least seven years after our relationship ends. You may request a copy of such records by contacting our office during that period.

When we provide credit assistance we will conduct a preliminary assessment to determine the suitability of a particular product. This is normally documented and provided to you in a Record of debt advice or a Credit Proposal. We will retain a record of the debt advice or Credit Proposal which you may request by contacting our office within seven years of the assessment. We will only provide recommendations to apply for a particular credit contract with a certain lender or increase the credit limit of a particular credit contract where the contract meets your needs and objectives and is not unsuitable to your circumstances.

If we recommend or arrange a financial product for you we will provide a product disclosure statement (PDS) or investor directed portfolio service (IDPS) guide where relevant. These documents contain the key features of the recommended product, such as its benefits and risks as well as the costs you will pay the product provider to manage that product. You should read any warnings contained in your advice document, the PDS or IDPS guide carefully before making any decision relating to a financial strategy or product.

Not Independent

Generally, we provide personal advice in line with our Approved Product and Services List (APSL) which may include financial products and services associated with the licensee. We may receive commissions from life insurance products we recommend and non-monetary benefits such as training and educational seminars from product providers. For these reasons, we are not considered independent, impartial, or unbiased.

Transaction services

We can arrange financial product transactions for you on your instruction without providing personal advice. If you wish to proceed without our advice, we will ask you to confirm your instructions, which will be documented in writing. We will keep a record of this documentation for seven years after the end of our relationship. You may request a copy of such records by contacting our office during that period.

Your relationship with us and using our services

You can contact us directly with any instructions relating to your financial products. This includes giving us instructions by telephone, mail or email. We can only accept your instructions via email once you have signed an authority form.

We will work with you to agree what advice and services we will provide and when and how often we will provide them.

Where you agree to annual advice and services, the details will be documented and provided to you in an advice or service agreement. This includes the frequency of contact between us, service standards that may apply, any fee arrangements and how the agreement can be terminated.

If at any time you wish to terminate your relationship with us, please contact us using the details shown in this guide.

Changing service providers

To ensure that you are provided at all times with servicing to meet your financial needs, we may transfer our rights and obligations under our servicing arrangement with you to another financial planning practice within the AMP network or transfer our servicing rights with you to another licensee (the new service provider). If we do this, the new service provider will provide the servicing to you and will be entitled to the agreed fees. The new service provider will enter into a new servicing arrangement with you. We'll write to you in advance of a transfer occurring, to introduce your new service provider. You may notify your new service provider at any time if you want to vary or end your servicing arrangements.

Providing information to us

It is important that we understand your circumstances and goals, so that we can provide you with appropriate advice and services. You have the right not to provide us with any personal information. Should you choose to withhold information, or if information you provide is incomplete or inaccurate the advice or services we provide you may not be appropriate for you.

It is also important that you keep us up to date by informing us of any changes to your circumstances so we are able to determine if our advice continues to be appropriate.

Our fees

The actual fee charged to you will depend on the nature of the advice or service we provide. We will discuss and agree the actual fees with you before we proceed. The following section outlines the types of fees that may apply:

The fees charged for our advice and services may be based on a combination of:

- A set dollar amount; or
- A percentage based fee

Our agreed advice and service fees may include charges for:

- Initial advice
- Ongoing advice and services
- Annual advice and services

Please note that for services in relation to insurance and some credit products, commissions may be paid by the product provider as follows:

- Initial commission - a percentage of the value of your loan balance or insurance premiums; and
- Ongoing commission - a percentage of the value of your outstanding loan amount or premiums, usually calculated at the end of each month in which you hold the loan, or on renewal of insurance products

We may also receive commissions for deposit bonds. Details are in the schedule of fees.

Payment methods

We offer you the following payment options for payment of our advice and service fees:

- BPAY, direct debit (savings), credit card or cheque; and
- Deduction from your investment (subject to the advice and service provided)

All permissible fees and commissions will be paid directly to AMP Financial Planning as the licensee. It will then pass on the amounts due to us through its payment system. AMP Financial Planning charges our practice a Licensee Fee each year. The Licensee Fee is determined as an annual amount based on a number of factors, including our business revenue, the number of advisers and/or accredited mortgage consultants in the practice and a practice fee.

For more information on our services, please see our **Schedule of fees** attached or available on request.

Other costs

Where other costs are incurred in the process of providing our advice and services to you, you will be liable for these costs. However, we will agree all additional costs with you prior to incurring them.

Other benefits we may receive

The following are monetary and non-monetary benefits we may receive other than those explained above. These are not additional costs to you.

In addition to the payments we may receive for our advice and services, we may receive other support services or recognition from the licensee to help us grow our business. This could include education or training support, badging rights, technology, financing, events or other recognition we are eligible for. We may receive benefits from product issuers that may include non-monetary benefits that are valued at less than \$300. We may also participate in business lunches or receive corporate promotional merchandise tickets to sporting or cultural events and other similar items.

We may be provided access to free services such as credit reports and valuations from our lenders. Details of any relevant services we may receive because of a recommendation we make to you, will be included in the Credit Proposal Disclosure document we provide to you.

Development, management and advice (DMA) run off payments

Eligibility to receive DMA run off payments is dependent on me continuing to be authorised by and meeting standards set by Charter. From 31 January 2020 I will be eligible to receive run-off payments based on the amount of advice revenue I generated in 2018. Advice revenue includes revenue directly attributable to advice provided to a client for an agreed fee. It excludes commissions from investment, insurance and banking products. These payments are to assist with my cashflow over 3 until 2023. Run-off payments will not be made after January 2023. In 2022, the total amount of DMA received will be \$4,500.00.

Business buy-back option

Where we request AMP Financial Planning to buy-back our business on or prior to 31 December 2021 and this is approved by AMP Financial Planning, then if we leave the financial services industry or can no longer appropriately service a selection of our clients, AMP Financial Planning will either look after our clients or appoint you to another adviser or financial planning practice within the AMP network.

If this happens, AMP Financial Planning makes available a facility for practices to transfer the servicing rights of their clients. The valuation will vary depending on certain factors including the annual recurring revenue of our practice and the level of our service standards.

Personal and professional development

AMP Financial Planning offers education, personal and professional development opportunities to our practice on an annual basis. Participation in these opportunities may be based on attainment of qualifying criteria or open eligibility.

Education and professional development

Provided we meet specific qualification criteria AMP Financial Planning will support the practice with up to 20% of the licensee fees payable by the practice to the licensee in 2017 to meet the training and education requirements for financial advisers as required by Financial Adviser Standards and Ethics Authority. We may also be eligible for education or training support to assist with the development of advisers in our practice. This support may be dependent on a number of factors including the experience of the adviser and their tenure at our practice.

The support mentioned above is paid by AMP Financial Planning directly to the education provider and not to us.

Placement fees

From time to time AMP Financial Planning will receive fees from brokers or product issuers (including AMP group companies) for arranging client participation in Initial Public Offerings (IPOs) of financial products. The fee, which is generally a percentage of the fee paid to the broker, varies from offer to offer and by the level of participation by AMP Financial Planning. We may share in this fee based on the level of participation by our clients.

Tiered Servicing Arrangements

Through your accredited mortgage consultant's (AMC) relationships with lenders, they may have access to tiered servicing arrangements. The benefits can include faster processing, better information or greater levels of assistance provided for obtaining loan approval. Your AMC will advise you of any tiered service arrangements that are in place with a particular lender that they have proposed at the time recommendations are made.

Access to these programs is not based solely on the volume of new or existing lending your AMC's customers have with each respective lender and does not entitle them to any additional commissions outside of what they have disclosed to you, any additional payments or preferential customer discounts.

Relationships and associations

It is important that you are aware of the relationships that AMP Financial Planning has with providers of financial services and products as they could be seen to influence the advice you receive.
